

# LEICESTERSHIRE & RUTLAND ENTOMOLOGICAL SOCIETY

## MEMBERSHIP APPLICATION 2024

The Society (as the Leicestershire Entomological Society) was founded in 1988 with the prime aims of bringing together, whether professional or amateur, all those interested in the study of insects and other invertebrates in and around Leicestershire and Rutland (VC55) and furthering their conservation. The Society emails two Newsletters each year which keep members abreast of entomological news, conservation issues and literature along with short reports of field observations. An Occasional Publications Series (LESOPS) complements the Newsletter in allowing members to publish more detailed articles and reports which, by the nature of their length, would not be appropriate for inclusion in the Newsletter. Past issues at [www.naturespot.org.uk/content/leicestershireentomological-society](http://www.naturespot.org.uk/content/leicestershireentomological-society)

The Society organises a winter programme of monthly indoor events at St Bart's Community Hall, Main Street, Kirby Muxloe, many of which have included contributions from leading entomologists, the programme appearing in the Newsletter. However, there is an emphasis on a member-driven programme in order to ensure that VC55 recording is not neglected!

Anyone interested in joining the Society and making a positive contribution to its aims, is invited to fill in the membership application below. We have the lowest subscriptions of any natural history group in the area! We look forward to seeing you at the Society's meetings!

Further information (including our data protection policy) can be obtained from the Chair, Ray Morris ([ray@cactusbob.net](mailto:ray@cactusbob.net)). Membership implies that you authorise the Society to contact you by email etc as per current GDPR rules.

Please note: If your annual subscription is not paid by June 30<sup>th</sup> of the year then your membership will be deemed to have lapsed and you will no longer receive the Newsletter or LESOPS

## MEMBERSHIP APPLICATION - LRES 2023

Name:

Address

Postcode:

Telephone number:

Email:

Publications etc are sent to members by email but if you would prefer a hard copy by post please let us know - **printed Newsletters are part of your subscription but printed LESOPS will be charged at £10 to cover cost for printing and postage.**
